SECTION 1.0
PREAMBLE

1.1 These Government Contract Flowdown Provisions, TC-03, are applicable to all Purchase Orders supporting a U.S. Government contract or subcontract, and these provisions are in addition to TC-01, General Provisions. The Federal Acquisition Regulation (FAR), Department of Defense FAR Supplement (DFARS), NASA FAR Supplement (NFS) or other agency FAR supplements identified herein are incorporated by reference with the same force and effect as if set forth in full text. Whenever necessary to make the context of the clauses applicable to this Order, the term “Contractor” shall mean SELLER, the term “Contract” shall mean this Purchase Order, the term “Subcontractor” shall mean a lower tier supplier to SELLER, and the terms “Government,” “Contracting Officer” and equivalent phrases shall mean BUYER, except the terms “Government” and “Contracting Officer” do not change: (a) in the phrases “Government Property,” “Government-Furnished Property,” and “Government-Owned Property,” (b) in the patent clauses incorporated herein, (c) when a right, act, authorization or obligation can be granted or performed only by the Government or the Contracting Officer or their duly authorized representative, (d) when title to property is to be transferred directly to the Government, (e) when access to proprietary financial information or other proprietary data is required except as specifically otherwise provided herein, and (f) where specifically modified herein. Any reference to a “Disputes” clause shall mean the “Disputes” clause of this Order’s TC-01.

1.2 The SELLER agrees to flow-down all applicable Federal Acquisition Regulations (FAR), Department of Defense Federal Acquisition Regulation Supplement (DFARS), NASA Federal Supplement (NFS), or other agency clauses to its lower-tier suppliers. The federal regulations cited herein are found in Title 48 of the Code of Federal Regulations, unless otherwise noted. The SELLER further agrees that all notifications and other communications required by these clauses shall be made to BUYER’s Authorized Representative, unless this Purchase Order specifically provides otherwise.

1.3 The effective version of each provision listed below shall be the latest version published on the date that this Purchase Order is issued. If the substance of any of the clauses listed below is different from the substance of the clause actually incorporated in the Prime Contract or higher tier subcontract referenced herein, including any clause modified by amendment to the Prime Contract or higher tier subcontract, the substance of the clause incorporated in said contract shall apply instead. If, during the performance of the Order, SELLER discovers any conflict, error, ambiguity or discrepancy within this Section or between this Section and any other part of the Order, SELLER shall promptly report it to BUYER’s Authorized Representative in writing, who shall issue appropriate clarifying guidance to SELLER. Although BUYER has made every effort to include every potentially applicable clause in this document, any clauses the inclusion of which in this Purchase Order is mandatory under a statute or regulation, shall be considered to be included by operation of law, even if it has been omitted from this Order.

1.4 SELLER agrees that upon the request of BUYER it will execute amendments to this Order to incorporate additional provisions herein or to change provisions hereof, as BUYER may reasonably deem necessary in order to comply with the provisions of the applicable Prime Contract (or higher tier subcontract), provisions of amendment to such Prime Contract and/or provisions of any launch or re-entry licenses issued by the Federal Aviation Administration (if applicable). If any such amendment to this Order causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this Order, an equitable adjustment may be made pursuant to the “Changes” clause of this Order.

1.5 For the purposes of this TC-03, the terms “Purchase Order,” “Order,” “BUYER,” “SELLER,” “Authorized Representative,” and “Work” shall have the same meanings as those set forth in TC-01.
